Terms of Use & Disclaimers

Last updated: November 28, 2026

Please read these terms carefully. Our resources are educational and do not replace individualized advice from qualified professionals.

1. Agreement and eligibility

These Terms of Use & Disclaimers apply to ifyoudidknow.com and related content, communications and services offered by The Edge Total Health Transformations LLC DBA The Edge Transformations ("The Edge," "we," "us" or "our"). By using the website, you agree to these terms to the extent enforceable. If you disagree, discontinue use. Our offerings are intended for adults aged 18 or older. Additional terms may apply to specific programs, products, subscriptions and applications; those terms will be presented before purchase or use. Our separate Privacy & Cookie Policy describes our information practices.

2. Educational purpose and scope

The Edge provides educational information, resources and tools relating to habits, health, wellness, personal development, productivity, business and artificial intelligence. Our materials support informed decision-making and self-directed improvement. They do not establish a medical, therapeutic, legal, financial or other licensed professional relationship. You are responsible for determining whether information is appropriate for your circumstances.

3. Health and medical disclaimer

Marie Egyed is a certified health, life and success coach, not a licensed healthcare provider. Neither The Edge nor Marie Egyed diagnoses, treats, cures or prevents disease or provides licensed medical or mental health services. Our educational content, programs and any general wellness recommendations are not substitutes for professional medical evaluation, diagnosis or treatment. Consult a qualified healthcare professional before making significant changes to your diet, exercise, supplement regimen or treatment. Do not self-diagnose, disregard professional advice, delay care or stop or change prescribed medications based on our content. Seek immediate emergency assistance when appropriate.

4. Habits, fitness and personal development

Habit-building, accountability, mindset, fitness and lifestyle materials are educational and may not be appropriate for every person. Adapt activities to your abilities and circumstances. Obtain professional guidance when needed, particularly if you have a medical condition or injury. Our tools can support your efforts but cannot guarantee adherence, personal improvement, weight loss or any particular outcome.

5. Business, financial and earnings disclaimer

Business education, strategies, examples, templates and productivity resources are informational and are not legal, tax, accounting, investment or financial advice. Consult qualified advisers regarding your specific circumstances. We do not guarantee income, profit, business growth, employment, productivity or any financial result. Examples and testimonials are illustrative; your results depend on many factors, including your decisions, experience, resources and market conditions.

6. Artificial intelligence and technology

AI education, demonstrations and suggested workflows may involve third-party tools or generated content. AI output can be inaccurate, incomplete, biased or outdated. Independently verify important information before relying on it, and use human judgment for decisions affecting health, finances, legal obligations or business operations. Review the terms and privacy practices of AI providers before submitting data. Do not submit confidential, proprietary or sensitive personal information to tools without proper authorization and safeguards. Future AI applications may have additional product-specific terms.

7. Supplements and affiliate relationships

Supplement information and product recommendations are educational, not prescriptions. Products may have contraindications, interactions or adverse effects; consult a qualified healthcare professional. We do not guarantee product effectiveness or individual outcomes. Fullscript processes supplement orders through its own platform, and The Edge may receive compensation from purchases. We may also receive commissions or other compensation from affiliate links, referrals or sponsored relationships. Material financial relationships will be disclosed near the relevant recommendation. Third-party product terms, shipping and return policies apply to purchases from those sellers.

8. Results and testimonials

Individual experiences differ. Testimonials, case studies, examples and reported outcomes do not promise or guarantee that you will achieve the same result. Your background, health, starting point, commitment, resources and circumstances may affect outcomes. We will not represent exceptional outcomes as typical without appropriate substantiation or disclosure.

9. Intellectual property and permitted use

Our original text, designs, branding, educational materials, software and other content are owned by The Edge or used under license. Third-party content remains subject to its owners' rights. You may view public content for personal informational purposes. Purchased business resources may be used for internal business purposes to the extent expressly permitted by their product license. Unless authorized in writing or permitted by law, you may not reproduce, redistribute, resell, republish or commercially exploit our materials, remove attribution, or use our branding in a manner implying endorsement or affiliation. All rights not expressly granted are reserved. Copyright or trademark concerns may be directed to support@ifyoudidknow.com.

10. Acceptable use and submissions

Do not use the website to violate laws, infringe rights, distribute malware or spam, impersonate others, interfere with security or obtain unauthorized access. You retain ownership of information you send privately through our contact channels. You authorize us to use it as necessary to respond, provide requested services and administer our business, consistent with our Privacy & Cookie Policy. Private submissions are not blanket permission to publish your information or name. Public comments, if offered, may be moderated; do not post confidential or sensitive information. We may restrict access for misuse.

11. Third-party resources and services

We may link to external websites, products, platforms and educational resources. We do not control their content, availability, privacy practices or independent transactions. Review their applicable terms before use. A link does not imply that we guarantee a third party's products or services.

12. Purchases, payments and cancellations

When direct purchases are available, prices, product details and applicable refund, cancellation and delivery terms will be provided before purchase. Payments may be accepted through PayPal or approved direct bank payment arrangements. Do not send payment credentials by ordinary email. Third-party purchases, including Fullscript orders, are governed by the seller's terms; contact that seller regarding returns or order issues. No blanket no-refund rule is established by these website terms. Any future recurring subscription will disclose its billing interval, price, renewal and cancellation terms before enrollment and obtain required consent. Nothing here limits mandatory consumer rights. For direct billing questions, contact billing@ifyoudidknow.com.

13. Electronic communications

We may communicate electronically about inquiries, orders, service updates and legal notices where permitted. Marketing subscriptions are separate from necessary transactional communications. You can unsubscribe from promotional messages without affecting necessary service notices. Our Privacy & Cookie Policy describes email choices.

14. Availability and disclaimer of warranties

TO THE EXTENT PERMITTED BY LAW, WEBSITE CONTENT AND SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE." WE DISCLAIM IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT WHERE LAWFUL. WE DO NOT GUARANTEE UNINTERRUPTED ACCESS, ERROR-FREE CONTENT, ACCURACY OR COMPATIBILITY. NOTHING IN THESE TERMS EXCLUDES WARRANTIES OR RIGHTS THAT CANNOT LAWFULLY BE EXCLUDED.

15. Limitation of liability

TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE EDGE IS NOT LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR LOST PROFITS ARISING FROM USE OF THE WEBSITE OR RELIANCE ON EDUCATIONAL CONTENT. THESE LIMITATIONS DO NOT EXCLUDE LIABILITY THAT CANNOT LAWFULLY BE LIMITED OR EXCLUDED, INCLUDING LIABILITY FOR FRAUD OR WILLFUL MISCONDUCT WHERE APPLICABLE. YOU REMAIN RESPONSIBLE FOR YOUR OWN DECISIONS AND USE OF THE MATERIALS.

16. Governing law, changes and severability

These terms are governed by Texas law, without regard to conflict-of-law rules, except where mandatory consumer protections require otherwise. Disputes are subject to the jurisdiction of competent courts in Texas, subject to non-waivable legal rights. If a provision is unenforceable, the remaining provisions continue to apply. We may revise these terms prospectively and provide notice or seek consent when required; material changes will not retroactively alter completed purchases without lawful basis.
